## APPENDIX

### STEPS POST THIS EMPANELMENT CERTIFICATION

Once an organisation is empanelled with the TISS CECSR, there are 3 modes of partnership:

1) The organisation's details along with thematic and geographical areas of empanelment are shared with corporations that have signed MoU with the TISS CECSR. With regard to Corporate Social Responsibility (CSR) linkage, partner companies of TISS CECSR 'may' get in touch with empanelled partners, as per their CSR policies and areas of engagement.

2) Every empanelled organisation is sent both a soft and hard copy of the certificate of empanelment with TISS. Applicant organisations may themselves approach prospective funders with not only a copy of the letter, but most importantly with a project proposal, after doing necessary homework about funder's priority areas for funding.

3) Partnering with the CECSR : The Learning, Training and Development (LTD) practice at the TISS CECSR offers knowledge and capacity building inputs in the areas of :

- a) Organisational learning and change management
- b) Organisation financial management, compliances and good governance
- c) Proposal and programme development support
